Dear Mr. Shepherd:

This letter is in response to your letter dated October 18, 2005, with which you submitted design data for supplemental type certificate (STC) SR01583SE. The purpose of this data transmittal was to incorporate minor changes in the type design data for STC SR01583SE. You have submitted the following documentation:

1. Document No. MDL-D412-742, Master Document List, Revision C, dated October 5, 2005 and associated drawing revisions.
2. Installation Instructions IIN-D412-742, Revision B, dated October 5, 2005.
3. Instructions for Continued Airworthiness ICA-D412-742, Revision 1, dated October 5, 2005.
4. Federal Aviation Administration Form (FAA) 8110-3 from Designated Engineering Representative (DER) Dave McClenahan.

We have completed our review of your proposed revisions to the design data, for STC SR01583SE, and concur with DER McClenahan's finding of compliance. Accordingly, Dart Aerospace USA Document No. MDL-D412-742, Revision, dated October 5, 2005, is FAA-approved. Please retain this letter in your records for future reference.

Sincerely,
